February Newsletter

Hello Harry Sayers Families,

We hope you had a wonderful January! The sun shone brightly, and while it was occasionally cold, the 2025 weather brought us hope and joy. Now, with snow in the forecast, we are excited! Did you know we haven't had a solid day of tobogganing here at the school for two years? Although it snowed quite a bit last year and we had three days of school closures, the snow always melted before we could go sledding. Let's see what February brings!

We have been thrilled to welcome all our new Kindergarten registrations over the past few weeks. The Grade 5 basketball teams have been playing hard and enjoying their games! We also had a fantastic Lunar New Year celebration and parade. Students learned how to use chopsticks and read about their future from fortune cookies!

With only six weeks before Spring Break, we have many exciting events planned. Please mark your calendars!

Best regards,

Mr. Colbert and Mrs. Hoeving

Staffing Update

We wanted to inform you that Mrs. Shandler (Clerical) has decided to pursue new opportunities outside our school district. We thank her for her time at Harry Sayers Elementary. Ms. Schroeder and Mrs. Moller will be our clerical on various days until we fill this position. We hope to have our new permanent clerical at our school by 3rd week of February. Mrs. Turra will still be our clerical on Tuesdays.
